August 2020

Dual Language Immersion **English** Lottery Results

At the close of the November - December 2019 Application Window, applications were reviewed and students were accepted to our DLI program based on priority. Per our DLI Application Protocol students were selected based on Priority Level: (1) school of residence students were placed first, (2) siblings were placed next (3) children of DLI site employees were placed based on available space. After these placements were made, English spaces remained at each of the following sites: Fremont and Longfellow. Neither Castle View, Jefferson, Mt. View or Washington had space left after initial placements, as their Priority Level numbers were high.

Through the lottery process, the following English Only and English Dominant students were then either placed at one of the DLI schools or on the English Waitlist. See all Placements and Waitlist Positions below.

Please forward any questions to emgarcia@riversideunified.org

ENGLISH LOTTERY RESULTS

Students PLACED through the lottery process:					
Castle View	Fremont	Jefferson	Longfellow	Mt. View	Washington
